

EDGE ANYWHERE.
ONE MACHINE.
MULTIPLE JOBS.

TURFCO®

PRESENTING THE **EDGE-R-RITE® II**

The ultimate in edging versatility: The Edge-R-Rite II tackles a wider variety of on-site edging and cutting jobs with one machine. It can also eliminate hours of manual labor when edging cart paths, walkways, or landscaping.

- ▶ Greaseless bearings, heavy-duty arm and rugged design provide years of productivity.
- ▶ Eliminate shovel work for flowerbeds, tree rings or sidewalks.
- ▶ Unique oscillating blade action—cuts like a sod cutter without throwing debris, making cleanup easier and is
- ▶ Safer than a rotary blade for heavy edging jobs.
- ▶ Grease tire life with drive casting and interchangeable tires.

Edge-R-Rite blades are highly durable, easy to replace and offer a wide variety of options. Commercial-duty durability is built into every Edge-R-Rite II, with features including a solid steel frame, Honda® 4-horsepower engine, heavy-duty cutting arm and large sealed bearings.
